Sunday, October 24

**Robo-Fest 2010 : Walk-In Try-It Opportunity**

## **LEGO Build & Test Area** **(Legomaster)**

### **Build Area**

- Design, Create and Build with TECHNIC LEGO!
- Build with Gears, Beams, Axles and Motors!
- Make mechanical creations that move!
- Test your creation at the Testing Station!
- Thousands of parts and elements to work with!

### **Test Area**

- Test your creation at the Testing Area!
- Check to see how your creation functions!
- Work with the Legomaster to test your Creation!
- Does your creation work the way you thought?
- What does your creation do? Show and Explain!
